

DOGS ON SCHOOL PROPERTY

In accordance with College policy please note the following requirements:

1. As a matter of safety for school children, and for insurance purposes, dogs are not to be brought on to the school grounds at any time.
2. The only exception is for official, registered guide dogs, or dogs that are under the direct care of owners who have their pets at school for a particular purpose or presentation. In such cases, prior written permission from the Head of College is required.

Thank you for observing these requirements.
