

**Parent Notice: DROP-OFF/PICK-UP ZONE in front of MPAC**

1. When dropping off students in the morning, please ensure your car has passed the first crossing before allowing students to alight.
2. Please proceed as far as possible to **front of queue area** to allow subsequent drivers into rear of queue (DO NOT LEAVE GAPS in front of you). This will allow more cars on to the school site.
3. Be quick, please take no more than 30 seconds to unload students. This is a reasonable time frame and shows your consideration for other parents.
4. Remember to observe the “No Stopping” zone on the other side of Morris Rd. This extends the full length of Langtree Park.
5. The “No Right Turn” sign is placed in the driveway, in the afternoons. In the interests of safety please observe this sign.
6. DO NOT queue on Morris Road – please drive past the Gate in Morris Rd when school site entry is full, and return later - to allow free passage of vehicles on Morris Rd.  
Thanks for your patience and consideration of others.
