

ROAD SAFETY POLICY

Pedestrians

To enter or leave the school grounds (along Morris Rd), pedestrians should use the **small** gates situated (1) at the Prep School, (2) in the front of the 'A' Block porch, (3) behind the Morris Road bus shelter, (4) in front of the Auditorium and (5) beside the Child Care Centre.

Students should not walk out of the large double gates.

Access to the small gates from within the school, should be via the marked pedestrian crossings and pathways and not on internal roads.

Internal pedestrian crossings leading to Morris Road, are situated under the portico in the main 'A' Block; in the vicinity of the Morris Rd bus shelter, and in front of the Auditorium.

Students crossing Morris Road are to use the designated road section which is patrolled by the Crossing Supervisor from 7:45 – 8:45 am and 3:00 – 3:30 pm each day. Students should not cross Morris Road any other way. Students proceeding to cars in the internal car parks (e.g. east of A Block) must **use only the walkways (e.g. median strips) provided; they must not move in and out or among other cars.**

Students waiting on the footpath at the front of the school in the afternoon should remain near the fence. Those waiting for buses at a later time should remain in the grounds near the bus shelter until the bus arrives.

Those for the opposite direction must use the pedestrian gate near the bus shelter.

Bikes must be wheeled along the footpath in front of the Prep School and College and also within the College grounds. Do not ride on the footpath across roadways entering the College.
