

STREET TRAFFIC ISSUES

Traffic in the streets surrounding Mueller College is very heavy in the mornings and afternoons. For this reason, we would like to remind parents to be extra vigilant in regard to obeying the traffic rules.

Common areas of concern are:

- Do not park across driveways
- Do not impede the flow of traffic – **DO NOT QUEUE ONTO MORRIS RD** when attempting to enter the College site
- Obey the law in regard to parking close to street corners
- Do not park where there is a yellow line on the edge of the road
- Obey the 40kph speed limit in front of the College at all times
- Observe the 'No Parking' signed area along Morris Rd – adjacent to Langtree Park for the times specified.
