

SUN SAFETY

We wish to ensure that all children are protected from the harmful effects of the sun. In accordance with our SunSmart Policy, Mueller College seeks to:

- encourage all parents and staff to act as positive role models for children in all aspects of SunSmart behavior;
- encourage students and staff to wear hats that protect the face, neck and ears, and SPF 30+ broad-spectrum, water-resistant sunscreen, when involved in outdoor activities;
- encourage students without adequate sun protection to use shaded or covered areas at recess and lunch times; and
- encourage the use of appropriate swimsuits during aquatic activities and the wearing of sunglasses for outdoor lessons.
